

Millennium Challenge Corporation

Reducing Poverty Through Growth

We wish to provide a courtesy notification of the submission to the Millennium Challenge Corporation Board of Directors (Board) of a request to approve up to \$11.15 million in FY 2004 MCC Program funds for the Tanzania Threshold Program. The Board approved the Tanzania Threshold Program on January 27, 2006.

MCC's Threshold Program assistance is designed for countries that are committed to undertaking the reforms necessary to improve their policy performance and potentially qualify as MCC eligible countries. Threshold Program assistance will be used to help Tanzania address the specific policy weaknesses indicated by the country's performance on the "Control of Corruption" indicator.

The attached summary outlines the Tanzania Threshold Program. Members of MCC's staff are available to meet with you to discuss the planned program. If you or your staff would like to arrange a meeting, please contact Mackenzie Coon at (202) 521-3719. The attached summary is being sent to the Congress on February 1, 2006.

Sincerely,

Frances C. McNaught
Vice President
Congressional and Public Affairs
